Introduction

For fans of surreal humor and boundary pushing comedy, the**eddie izzard marathon man dvd** is more than just a recording—it"s an experience that captures the energy of one of Britain’s most iconic stand up performances. Released as a high quality home video, this DVD showcases Eddie Izzard’s masterful blend of history, pop culture, and absurdist storytelling. Whether you’re a long time follower or a newcomer eager to dive into the world of eccentric comedy, this article will guide you through everything you need to know about the **eddie izzard marathon man dvd**, from its content and special features to where you can purchase it and how it compares to digital streaming options.

Eddie Izzard: A Comedic Journey

Early Life and Rise to Fame

Born Edward John Izzard in 1962 in London, Eddie Izzard grew up in a culturally diverse environment that would later influence his comedic voice. After studying at the University of Oxford, Izzard began performing in the late 1980s, quickly gaining recognition for his rapid-fire delivery and philosophical musings. By the mid 1990s, he had become a household name with specials like *Glorious* and *Fierce*, earning praise for his fearless approach to taboo subjects.

Signature Style and Influence

What sets Eddie apart is his penchant for blending historical references with contemporary absurdity. His narratives often weave in medieval knights, Victorian literature, and modern pop culture, creating a tapestry that feels both timeless and instantly relevant. Izzard’s fluid gender presentation and unapologetic authenticity further cement his status as a trailblazer in comedy.

The Marathon Man DVD: What It Is

Release and Format

The **eddie izzard marathon man dvd**was officially released in 2003 as a 90 minute recording of a live performance that took place at the Royal Albert Hall. The DVD is available in both standard and deluxe editions, with the latter featuring additional audio tracks and a booklet of behind the scenes photos.

Content Overview

At its core, the marathon man DVD captures a single, continuous set where Eddie explores topics ranging from the absurdities of British bureaucracy to the philosophical implications of time travel. The performance is divided into three acts, each marked by a distinct theme:

- Act One: History and the Human Condition – A rapid fire exploration of medieval history and its modern relevance.
- Act Two: Pop Culture Parody – Satirical takes on contemporary media, including a memorable sketch about a fictional reality show.
- Act Three: Existential Musings – A contemplative yet humorous examination of identity and existence.

Why Marathon Man Is a Must See

Performance Highlights

The marathon man DVD showcases several of Eddie's most memorable bits. One standout moment is the "Dinosaur" sketch, where he humorously debates the ethics of resurrecting extinct species. Another classic is the "Time Traveling Tourist" routine, which cleverly critiques the tourist industry's romanticized view of history.

Unique Comedic Approach

Unlike many comedians who rely on punchlines and one liners, Eddie Izzard builds narratives that unfold over minutes, creating a tapestry of jokes that reward attentive viewers. This depth is evident throughout the marathon man DVD, where each joke is a thread woven into a larger philosophical tapestry.

Audience Reception

Critics praised the marathon man DVD for its audacity and intellectual rigor. Reviewers noted that the DVD's pacing keeps viewers engaged, while the live setting captures the spontaneous energy of a live audience. Fans often cite the DVD as a definitive representation of Izzard's live performance style.

Where to Buy the Eddie Izzard Marathon Man DVD

Physical Retailers

For collectors who prefer a tangible copy, the marathon man DVD can be found at:

- Amazon – often available in both new and used conditions.
- Best Buy – occasional stock in the comedy section.
- Local Record Stores – some independent shops carry classic comedy DVDs.

Online Stores

Online platforms such as eBay and Walmart offer competitive prices, especially for used or refurbished copies. Be sure to check the seller's ratings and return policy before purchasing.

Price Comparison

Prices typically range from $10 to $25 USD depending on condition and edition. The deluxe edition, which includes bonus audio commentary and a photo booklet, usually costs about $35.

Digital Platforms

While the marathon man DVD is primarily a physical format, several digital services provide access to the performance. Check platforms like iTunes, Google Play Movies, and Amazon Prime Video for rental or purchase options.

DVD Features and Extras

Audio Commentary

The deluxe edition offers a two hour audio commentary by Eddie himself, where he discusses the inspiration behind each bit and shares anecdotes from the tour.

Behind the Scenes Footage

Included is a short documentary that follows Eddie backstage, revealing the meticulous planning that goes into each set. Viewers can see rehearsals, costume fittings, and interactions with the crew.

Deleted Scenes

For the die hard fans, a few deleted scenes are available, showcasing jokes that didn't make the final cut. These snippets provide insight into Eddie's creative process.

Interactive Menu

The DVD's menu is designed to be intuitive, featuring quick access chapters for each act and a "Jump to" feature that lets viewers skip directly to favorite moments.

Streaming and Digital Alternatives

Streaming Services

Some streaming platforms offer Eddie Izzard's performances in full, though the marathon man DVD specifically is rarely available as a complete stream. However, platforms like Netflix occasionally feature clips or excerpts from his specials.

Digital Download

For those who prefer owning a digital copy, services such as iTunes and Google Play offer the marathon man performance for purchase. These downloads often come in 1080p HD, providing a crisp viewing experience.

Rental Options

If you're hesitant to commit to a purchase, renting the marathon man DVD from services like Amazon Prime Video or Vudu allows you to watch it for a limited time at a lower cost.

Fan Community and Reviews

Critical Reception

Film and comedy critics have consistently praised the marathon man DVD for its originality and intellectual depth. Publications such as *Variety* and *The Guardian*highlighted Eddie's ability to blend humor with profound social commentary.

Fan Reviews

On platforms like Rotten Tomatoes and IMDb, the marathon man DVD holds a high rating, with many reviewers noting the performance's timeless relevance and the sheer joy of watching Eddie's live energy.

Forums and Social Media

Reddit communities, such as r/standup and r/eddieizzard, frequently discuss the marathon man DVD. Fans often share favorite moments, analyze jokes, and compare it to other Izzard specials.

Frequently Asked Questions

Is the marathon man DVD compatible with my DVD player?

Yes, the DVD is encoded in the standard Region 1 format, compatible with most North American players. If you're located outside Region 1, you may need a multi region player or a region free adapter.

What is the difference between the standard and deluxe editions?

The deluxe edition includes a bonus audio commentary, behind the scenes footage, a photo booklet, and a higher quality audio track. The standard edition contains the main performance only.

Can I watch the marathon man performance online?

While the full performance is not widely available on free streaming services, you can purchase or rent it digitally from platforms such as iTunes or Amazon Prime Video.

Is the marathon man DVD suitable for younger viewers?

Due to mature content and adult humor, the DVD is rated for mature audiences. Parents should review the material before allowing younger viewers.

How long is the marathon man DVD?

The main feature runs approximately 90 minutes, with bonus features adding an additional 30 minutes of content.

Conclusion

The **eddie izzard marathon man dvd**stands as a testament to one of comedy's most innovative minds. It offers a rare glimpse into Eddie's live performance style, blending history, pop culture, and existential musings into a single, unforgettable set. Whether you choose the physical DVD for its tangible charm, the deluxe edition for its added depth, or a digital version for convenience, the marathon man experience remains a must see for any comedy aficionado. By exploring the content, purchasing options, and fan reception, you'll appreciate why this DVD continues to resonate with audiences worldwide. So grab a copy, sit back, and let Eddie Izzard take you on a comedic marathon you won't soon forget.
